

**Approving Education Programs Offered by Virginia Institutions of Higher Education as Required by the Regulations Governing the Review and Approval of Education Programs in Virginia (8VAC20-542-10 et seq.)**

**Resolution Number 2015-33**

**November 19, 2015**

The Board of Education approves the Advisory Board on Teacher Education and Licensure's recommendation to grant "Approved" status to all education (endorsement) programs offered at Virginia colleges and universities listed in the 2013-2015 Biennial Report except the English program at Bluefield College, the mathematics program at Lynchburg College, and the mathematics program at Radford University.

Further, the Board of Education approves with stipulations the English program at Bluefield College, the mathematics program at Lynchburg College, and the mathematics program at Radford University for the 2015-2017 biennial period.
