

# SPECIAL EDUCATION PERFORMANCE REPORT

June 1, 2012

## Commonwealth of Virginia Public Schools

The Individuals with Disabilities Education Act (IDEA) requires each state to report to the public on state-level data and individual school division-level data and to report on whether the state and the divisions met state targets described in the state's special education State Performance Plan. This report compares the State's performance to the State's target. Additional information on the individual indicators can be found at:
