Dear Parent/Guardian:

Are you concerned about your child's educational progress? If your child has stopped attending school, or is headed in that direction, we know you are very concerned about his/her future. If you are looking for options, Chesterfield County Public Schools is excited to invite you to our "Drop-in Resource Fair". Please see the flyer on the reverse side for information regarding the event.

As your child's best advocate, your role in helping your child plan for his/her future is so important. We really hope you can join us at the fair to learn about other educational opportunities available to your child. School professionals will be available at the fair to assist you and answer any questions you may have.

We look forward to seeing you there!

Sincerely,

School Principal and/or __?__
