Superintendent's Memo #016-22

DATE: January 21, 2022  
TO: Division Superintendents  
FROM: Jillian Balow, Superintendent of Public Instruction  
SUBJECT: **2022 Granville P. Meade Scholarship**

The Virginia Department of Education (VDOE) is announcing the Granville P. Meade Scholarship that provides financial assistance to students who have achieved academically but who are financially unable to attend college. The Granville P. Meade fund awards scholarships to eligible Virginia high school seniors to attend one of Virginia's public or private colleges or universities.

Principals of all public and nonpublic high schools are requested to assist in making students aware of this scholarship opportunity. It is anticipated that the scholarship will be awarded in the amount of \$2,000 per year for four years, provided the student continues to meet the scholarship requirements.

This year, applications will be completed, submitted, and reviewed via an [online application portal](#). All students interested in applying must create an account to access the application, request letters of recommendation, and upload academic records.

School division reviewers or review teams already in the system from last year received email notification of their account status on December 7, 2021.

**New division superintendents** will have access to the online portal by the end of this month. On January 24, new division superintendents will receive an email from Survey Monkey Apply with the subject line: *Invitation to Join Granville P. Meade Application Portal*.

**If any superintendent should wish to appoint a designee or review team to review applications**, they can do so by completing the [Granville P. Meade Reviewer Request Form](#).
