

VVAAS University

VVAAS University Goals:

- Train division educators to be highly effective in navigating and building reports within VVAAS to answer purposeful data questions.
- Create educators within divisions that can be VVAAS leaders and share their uses and successes with other divisions within their region.

Who Should Attend:

This opportunity is ideal for division leadership (VVAAS leads), school leaders (principals and assistant principals), and other leadership positions making instructional decisions (special education director, director of instruction, assistant superintendent, etc.). Participants are expected to share information gleaned from the university experience back in their division. Ideally, you can send one participant who focuses on data in your division and one that focuses on instructional strategies.

Timeline and Logistics:

- **January 11th – March 14th:** Divisions register for VVAAS University (3 max per division)
- **March TBD:** Jumpstart webinar session (hosted by EVAAS team with Morri Pace)
