Superintendent's Memo #080-21

DATE: March 26, 2021  
TO: Division Superintendents  
FROM: James F. Lane, Ed.D., Superintendent of Public Instruction  
SUBJECT: **Emergency Assistance for Non-Public Schools Program Application Process**

The Coronavirus Response and Relief Supplemental Appropriations Act included \$2.75 billion in Governor's Emergency Education Relief funding for the Emergency Assistance for Non-Public Schools (EANS) program. The purpose of the EANS program is to provide services or assistance to eligible non-public schools to address the impact that COVID-19 has had, and continues to have, on non-public school students and teachers in the state. Virginia was awarded \$46.6 million in EANS funding.

The Virginia Department of Education (VDOE) will serve as the program administrator for the EANS funds awarded to Virginia. Programs and services for eligible non-public schools will be determined through an application process. The EANS application for non-public schools and the application guidelines, instructions, and assurances are available on the [Federal Pandemic Relief Programs webpage](#). To be considered for the program, an eligible non-public school must submit a completed application to [EANS@doe.virginia.gov](mailto:EANS@doe.virginia.gov) no later than **Monday, April 26, 2021**. Incomplete applications and applications submitted after the due date will not be considered.

The VDOE will provide an overview of the EANS program and the application process on **Thursday, April 8, 2021**. The webinar will be presented twice - it is not necessary to attend both sessions. Information on how to join the webinar is below.
