**Executive Summary:**  
The *Regulations Governing the Review and Approval of Education Programs in Virginia* ([8VAC20-543](#)) requires that the Virginia Board of Education (Board) approve requests from Virginia institutions of higher education to add new endorsement programs. Requests for new programs must be submitted annually by March 31.

Board regulation [8VAC20-543-30](#) requires institutions seeking education program approval to establish partnerships and collaborations based on PreK-12 school needs. All institutions of higher education provided a copy of the *Virginia Department of Education – Standards for Biennial Approval of Education Programs Accountability Measurement of Partnerships and 3 Collaborations Based on PreK-12 School Needs Education Programs* form for the requested program endorsement area.

Virginia Department of Education (VDOE) staff have verified program endorsement competencies through the review of course descriptions and syllabi to determine alignment with regulatory criteria, including supervised classroom instruction. A review of the Request for New Endorsement Program application submitted by the institution includes evidence of written documentation of school divisions' demand data, as well as institutional and school division support for the requested programs.

On September 19, 2022, Advisory Board on Teacher Education and Licensure (ABTEL) recommended that the Board grant approval for the new endorsement programs. The following is a list of the institutions of higher education and the new endorsements requested.
