If the local department finds clear and convincing evidence that an intentional program violation has occurred, the case will be referred for an administrative disqualification hearing. The local department may also refer the case to the attorney for the Commonwealth for criminal prosecution.
- B. Recipients found to have committed an intentional program violation either through an administrative disqualification hearing or by a court of competent jurisdiction shall be ineligible to participate in the Child Care Subsidy Program for a period of three months upon the first finding, 12 months upon the second finding, and permanently upon the third finding.

- D. Administrative disqualification hearings shall be held in accordance with the following:
1. Prior to submitting the request for an ADH to the state hearing authority, the local department shall provide written notification to the individual suspected of an intentional program violation that the individual can waive his right to an ADH by signing a waiver request and returning it to the local department within 10 days from the date notification is sent to the individual in order to avoid submission of the request for an ADH.
 2. If a signed waiver is received, no ADH is conducted and the disqualification period is imposed.

8. If the recipient is found to have committed an IPV, but a hearing officer later determines there was good cause for not appearing, the previous decision will no longer be valid and a new ADH shall be conducted. Part I. General Provisions

22VAC40-665-40. Case management.

- A. Applicants for child care subsidy and services must be at least 18 years of age unless they are an emancipated minor or a minor who was receiving services as head of household prior to April 2016.
- B. Applicants are required to sign an application, to provide verification of identity, and to cooperate with an assessment by the local department of social services.

~~C. In cases where the local department has approved the application of an applicant for the Child Care Subsidy Program and determines that (i) the child has been abandoned by a noncustodial parent, or (ii) a person who has a responsibility for the care, support, or maintenance of the child has failed or neglected to give proper care or support to the child, the local department shall refer the matter to DCSE for the application for child support services. Failure by the applicant or recipient to cooperate with DCSE shall result in denial of the application or case closure at redetermination. "Cooperate with DCSE" means that an applicant or recipient must apply for child support services and participate and provide information, as requested by DCSE, to locate a noncustodial parent, establish paternity, establish or modify a child support order, or enforce a child support order.~~

~~D.C.~~ D.C. At initial eligibility determination, a family with a child experiencing homelessness that cannot provide the required documentation may be conditionally approved for services for a period not to exceed 90 days. The final eligibility determination shall be completed once the 90 days has expired or full documentation is provided. Any payments made prior to the final eligibility determination shall not be considered an error or improper payment. Families with a child experiencing homelessness shall receive priority placement on the waiting list, if applicable.

~~E.D.~~ E.D. Consumer education, including education on the selection and monitoring of quality childcare and how to access information regarding their selected vendor as to the (i) health and safety requirements met by the vendor; (ii) licensing or regulatory requirements met by the vendor; (iii) date the vendor was last inspected and any history of violations; and (iv) any voluntary quality standards met by the vendor, must be provided to parents to assist them in gaining needed information about the availability of child care services and providers. Parents must also be provided information on how to obtain a developmental screening for their child.

~~F.E.~~ F.E. The department shall establish scales for determining financial eligibility for the income eligible child care subsidy program categories in subdivision 2 of **22VAC40-665-30**.

1. Recipients in the TANF child care program category shall be considered income eligible based on their receipt of TANF; the local department shall not be required to verify their income.
2. At initial eligibility determination, income eligibility shall be determined by measuring the family's countable income and size against the percentage of the federal poverty guidelines for their locality. The family's income cannot exceed 85% of the state median income.
3. At redetermination, if a recipient family's countable income exceeds the initial eligibility limit, they shall be considered income eligible until their countable income meets or exceeds the exit eligibility limit established by the department. The family's income cannot exceed 85% of the state median income.

~~G.F.~~ G.F. Families receiving child care subsidy and services shall be required to pay a copayment unless their gross monthly income is at or below the federal poverty guidelines and they are recipients of TANF, participants in the SNAPET program, or families where all children participate in the Head

Attachment H: Child Care Regulations Transferring to the Code of the Board of Education

Start program. The copayment amount will be based on a scale set out in the current Child Care and Development Fund Plan for Virginia. Copayments may be increased at redetermination and during graduated phase out if the family's countable income exceeds the initial eligibility limit but is below the exit eligibility limit. Local departments shall be required to act on changes reported by the family that would reduce the family's copayment during the 12-month eligibility period.

H.G. Income to be counted in determining income eligibility includes all earned and unearned income received by the family except the following:

1. Supplemental Security Income;
2. TANF benefits;

Attachment H: Child Care Regulations Transferring to the Code of the Board of Education

17. Tax refunds;

The amount of wages subject to garnishment and the amount of child support paid to another household shall be deducted from the family's income.

4.H. The eligibility period for TANF (nonVIEW), transitional child care, Fee Program, and Head Start begins with the effective date of the approval of the child care subsidy and services application. The eligibility period for VIEW and SNAPET participants begins with the date of referral from the VIEW or SNAPET program.

4.I. Recipients will be eligible for child care subsidy and services for a minimum of 12 months before eligibility is redetermined unless:

Attachment H: Child Care Regulations Transferring to the Code of the Board of Education

1. Their countable income exceeds 85% of state median income. Temporary increases in income will not affect eligibility or family copayments, including monthly income fluctuations, which when taken in isolation, may incorrectly indicate that a recipient's income exceeds 85% of state median income.
2. There is a finding that the recipient committed an intentional program violation.
3. The recipient is no longer a resident of Virginia.
4. The recipient requests that their child care subsidy and services case be closed.
5. The recipient is a family of a child experiencing homelessness that was approved as conditionally eligible and failed to provide necessary documentation to the local department within 90 days, or the recipient is determined ineligible after full documentation is provided.

~~K~~.J. Recipients will retain eligibility despite any change in residency within the state.

~~L~~.K. Recipients will retain eligibility despite any eligible child turning 13 years of age during the 12-month eligibility period.

~~M~~.L. The beginning date of service payment for TANF (nonVIEW), transitional child care, Fee Program, and Head Start participants may begin with the date the applicant is determined eligible and a vendor approved by the department is selected. The beginning date of service payment for VIEW or SNAPET participants may begin with the date of referral from the VIEW or SNAPET program if the applicant is determined eligible and a vendor approved by the department is selected.

1. Eligibility must be determined within 30 days of receipt of a signed application or referral from VIEW or SNAPET by the local department.
2. Payment cannot be made to any provider prior to the effective date of their approval by the department as a vendor.

~~N~~.M. Eligibility will be redetermined in the final month of the 12-month eligibility period described in subsection I of this section, at which time the recipient will be contacted in order to have all eligibility criteria be reevaluated. The local department's contact with the recipient should not unduly disrupt a parent's work schedule. Recipients shall not be required to appear in person for eligibility redetermination.

~~O~~.N. Child care case managers shall prepare a written service plan for each child care case with the applicant or recipient. The service plan shall state the activities and responsibilities of the local department and the parent in the provision of child care services. The VIEW Activity and Service Plan will serve as the service plan for parents active in VIEW. If the parents are SNAPET participants, the SNAPET Plan of Participation will serve as the service plan.

Attachment H: Child Care Regulations Transferring to the Code of the Board of Education

~~P.O.~~ Recipients shall be required to:

1. Report to the local department the following changes within 10 calendar days of the change:
 - a. Countable income that exceeds 85% of the state median income.
 - b. Recipient is no longer a resident of Virginia or the county in which they are receiving services.
2. Pay all fees owed to the vendor not paid for under the Child Care Subsidy Program or reimbursements owed to the local department; failure to do so may result in case closure at redetermination.
3. Reimburse the local department for any overpayment made as a result of fraud, intentional program violation, or an inadvertent household error.

The local department shall inform recipients of child care subsidy and services of these responsibilities.

~~O.P.~~ Adequate documentation supporting the reasons for termination must be filed in the case record. Eligibility in the Fee Program is limited to a total of 72 months per family. Receipt of assistance in any other program category does not count toward the 72-month limitation.

~~R.Q.~~ When sufficient funds are not available, local departments of social services must screen applicants for potential eligibility and place them on the department's waiting list unless the family declines placement.

~~S.R.~~ Applicants and recipients will be afforded due process through timely written notices of any action determining or affecting their eligibility for services or copayment amount. Such written notice shall include the reason for the action and the notice of appeal rights and procedures, including the right to a fair hearing if the applicant or recipient is aggrieved by the local department's action or failure to act on an application.
