SUBJECT: Principal Leadership Institute Opportunity

The Virginia Department of Education has partnered with BB&T to provide an opportunity for building-level principals across the Commonwealth to participate in the BB&T Leadership Institute. BB&T has established successful Institutes in North Carolina, South Carolina, and Kentucky. With an intentional focus on self-awareness, leading change, and engaging staff, this experience has been an integral part of strengthening the skill sets of those who have participated in the Institute. At this time, the Virginia Department of Education invites Virginia building-level principals to apply for a position in a cohort to begin in September 2018.

Please review the information links below and determine how you could utilize this valuable opportunity as we grow leaders across our public schools in Virginia.
