- 1,488 in VPI and 606 in MDG

2

Goal 2: Quality Improvement

1,500+

sites received practice ratings for VQB5, Virginia's new unified measurement and improvement system

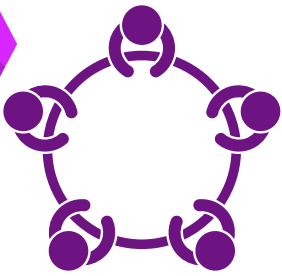

78% of VQB5 sites using state-approved curriculum in Practice Year 1

RecognizeB5 distributed **\$9.5 Million** to over **5,000** eligible educators

Over **9,700** CLASS observations conducted in **4,300** classrooms, providing more feedback to educators than ever before

VQB5 is Growing: Over **1,000** new sites in VQB5 (from **1,500+** to **2,600+**) in Practice Year 2!

3

Goal 3: Family Engagement

Every Ready Region hired a full time position to support family engagement and to launch a regional family council

13,000+
survey responses collected from families on their needs and challenges

4

Goal 4: Health & Safety

Stakeholders engaged in **16.5+** hours to help streamline and strengthen regulations

Return to in-person inspections

260+
Newly licensed providers

5

Goal 5: Regional Capacity & Innovation

\$13M Invested in Ready Regions to support coordination, accountability, and family engagement

Led to **100%** of localities and school divisions participating in Practice Year 2. Over **80%** of all publicly-funded sites, and **100%** of school divisions, are now participating in VQB5.

\$400M+ of federal relief funds were sent to nearly **5,000** private child care and family day home providers

\$7.5M invested in technology systems and data interoperability in **5+** systems statewide
