**SUBJECT: Title I, Part A, Carryover Provisions and Reallocation Procedures under the
*Elementary and Secondary Education Act of 1965 (ESEA), as Amended***

Section 1127 of the *Elementary and Secondary Education Act of 1965 (ESEA)*, as amended, allows school divisions to carry over up to 15 percent of their Title I, Part A, allocation for any federal fiscal year. School divisions must encumber 85 percent of each award year's Title I, Part A, allocation by September 30 of the following year (within 15 months). This section also allows school divisions to apply for a waiver to exceed the 15 percent limitation once every three years if: 1) the state agency determines that the request of a local educational agency is reasonable and necessary; or 2) supplemental appropriations become available. School divisions that receive less than \$50,000 under this subpart are excluded from the carryover limitation.

School divisions that have not received a carryover waiver over the past three years and that wish to apply for a waiver must submit the request in writing by September 30 of the year following the award year to:
