- Appendices

# PURPOSE OF THE COMPREHENSIVE PLAN

The Board of Education's Comprehensive Plan: 2018-2023 provides the framework for its leadership, advocacy, and oversight that will meet and prioritize the future needs and goals of students, educators, and schools. The priorities and goals are forward-looking to address the increasingly diverse needs of schools and of the students who will live and work in a complex global, high-technology economy

# THE OBJECTIVES OF EDUCATION IN VIRGINIA\*

- Maximizing personal development
- Maintaining free government
- Providing skills for each student to participate in the economic health of the Commonwealth

\*Section required by statute

# THE BOARD'S VISION

The vision of the Board of Education and Superintendent of Public Instruction, in cooperation with their partners, is to create an excellent statewide system of public education that derives strength from diversity and that ensures equity of opportunity for each student in a safe and healthy learning environment that prepares all students to be capable, responsible, and self-reliant citizens in the global society.

# THE BOARD'S MISSION

The mission of the Board of Education and Superintendent of Public Instruction, in cooperation with their partners, is to develop policies and provide leadership that improve student achievement and prepare students to succeed in postsecondary education and the workplace, and to become engaged and enlightened citizens.

- Board of Education Bylaws, Article 1
