What is this report?
This report shows your child's performance on the Virginia Standards of Learning test. This report, combined with teacher input, classroom work, report cards, and the Student Detail by Question reports, gives families and teachers a more complete picture of student progress. You can use these results to help identify where your child is doing well and where additional support may be needed.

## How Did Your Child Perform Overall?

What is a performance level and an overall score?
This test has performance levels to show how your child performed according to grade level expectations. The overall score shows the specific numeric score your child earned within the performance level.

| Performance Level: **Pass/Proficient**	**What does this mean?** Your child showed the expected understanding of this subject's Standards of Learning.

How You Can Support Your Child's Learning

Guidance for Parents & Caregivers:

Step Number One: Talk to your child's teacher to learn more about ways you can give support from home. Here are some key questions you can ask:

- Is my child on grade level in all classes?

- With what skills does my child need more support?

- How can I support these skills from home?

- Are there other classroom tests of which I should be aware that will help me understand my child's progress?

Resources for you and your child:

Step Number Two: Access free resources available for you and your child to use at home. Here are some suggestions you can use:
