Chapter 665, 2015 Acts of Assembly (2015 Appropriation Act), provides state funds for the costs of prior year local operations, as determined by the Department of Education, for certain children placed in foster care. A detailed description of state funding requirements for Education of Children in Foster Care and instructions for completing the Foster Care data collection are provided in [Attachment A](#) to this memorandum. [Attachment B](#) contains the provisions from the appropriation act, the *Code of Virginia*, and Board of Education regulations pertaining to the education of children in foster care.
