AP/IB/Cambridge Exam Fee Reduction Program for SY24-25

Are you taking an Advanced Placement, International Baccalaureate, or Cambridge course this year?

Are you interested in taking these courses in the future?

Is your family experiencing an economic hardship?

*If so, now is the time to talk to your high school counselor for the opportunity to potentially receive a reduced exam fee of \$20**

These courses and exams provide students an opportunity to have a rigorous high school experience and save tuition in the future. Don't let the exam fee discourage you from your opportunities! See your school counselor today to see if you qualify and for more information on these courses and exams, please use the QR codes or links below for each website.
