**Commonwealth of Virginia
Virginia Department of Education
Superintendent's Memo #040-22**

DATE: February 18, 2022
TO: Division Superintendents
FROM: Jillian Balow, Superintendent of Public Instruction
SUBJECT: **2021-2022 Spring Student Record Collection and Miscellaneous Statistics -
Due April 15, 2022**

In order to comply with the information and reporting requirements for March 31 average daily membership, report cards, and performance indicators of the Every Student Succeeds Act (ESSA), school divisions are required to submit data for the Spring Student Record Collection (SPR SRC). This data should reflect students' records as of March 31, 2022.

The reports from the SPR SRC will include:

- March 31 average daily membership (ADM) report.
- Special Education Regional Tuition Reimbursement - The data requested will be used for claiming reimbursement for services provided by certain regional special education programs that have been approved by the Department of Education. The dollar amounts your division will report will likely be obtained from your special education office.

Final state payments for Standards of Quality accounts (Basic Aid, fringe benefits, etc.) and several other Direct Aid to Public Education accounts for fiscal year 2022 will be based on average daily membership (ADM) as of March 31, 2022.

Any additions to March 31, 2022, ADM that are identified after the submission deadline of April 15, 2022, will not be used to adjust final fiscal year 2022 Direct Aid payments unless the Department receives them on or before May 3, 2022. **Please note this critical deadline.**

Reductions to March 31 ADM may be submitted to the Department at any time; however, school divisions are encouraged to submit any changes on or before May 3, 2022.

In order for the May and June electronic fund transfers (EFT) to reflect school division payments based on final March 31, 2022, ADM, it is important that all school divisions complete the Spring Student Record Collection no later than April 15, 2022. In addition to the electronic data submission, the verification reports must be electronically approved by the division superintendent, through the Superintendent Data Collection Approval (SDCA) application, by **Friday, April 29, 2022**. Any permitted resubmissions must be electronically approved by the division superintendent no later than **Friday, May 6, 2022**.

Early submission is *strongly encouraged*.

A detailed listing of the data elements on the SPR SRC, the aggregate data collected on the web-based form, instructions for completing and submitting the data, and March 31 ADM related resources will be posted on the Virginia Department of Education's Student Record Collection webpage.

The Spring Student Record Collection will be open and accessible through the Single Sign-on for Web Systems (SSWS) portal on Friday, April 1, 2022.
