Superintendent's Memo #158-22**

DATE: July 29, 2022  
TO: Division Superintendents  
FROM: Jillian Balow, Superintendent of Public Instruction  
SUBJECT: **2022-2023 Title IV, Part A, Allocations under Provisions of the Elementary and Secondary Education Act of 1965 (ESEA), as Amended**

Attached are the 2022-2023 Title IV, Part A, federal allocations for each school division (**Attachment B**). Allocations are based on the Title I formulas applied by the U.S. Department of Education, and reflect adjustments made by the Virginia Department of Education to account for state-level set-asides. Under section 4105(a) of the Every Student Succeeds Act of 2015, no school division may receive an allocation that is less than \$10,000, and a ratable reduction process must be applied to ensure that the minimum award is at least \$10,000. **Attachment A** contains the Additional Required Special Terms and Conditions for Grant Awards or Cooperative Agreements. The terms of the grant award are provided in **Attachment C**. The total amount of the allocation is available to school divisions as of July 1, 2022, through the reimbursement process.

The procedures and forms for submitting an application for Title IV, Part A, were previously provided to school division program coordinators. Applications were due on July 1, 2022.
