

Virginia Literacy Act Application for Program Review Teams

Virginia Literacy Partnerships (VLP) is seeking to identify reviewers with availability from mid-October 2022 through mid-March 2023. Qualified candidates will be required to participate in a virtual interview process before they will be assigned to a review team. Training will be provided virtually and most work will be completed independently with a limited number of virtual meetings with your review team.

We understand the difficulties and time constraints of school personnel. VLP asks that you maintain your school priorities over this experience.

Email Address:

Question 1: Describe your education and continued professional development in science-based reading research and evidence-based literacy instruction (paragraph response).

Question 2: What is your experience in reviewing instructional program materials in K-3 reading? (e.g., Division curriculum review committees, state curriculum reviews, national curriculum reviews, etc.) (paragraph response)

Question 3: If there are dates during the review timeframe that you are unavailable, please note those dates.

Question 4: All reviewers who work for public school divisions will need to obtain permission to participate. We will provide more information on this process if you are selected. Are you willing to obtain permission from your school division?

Question 5: Do you have any conflicts of interest that relate to your participation on a Program

Review Team. For example, have you worked for a publisher that has submitted an application, helped to develop a curriculum that was submitted, or work for a school division that has an interest in using or not using a particular submitted curriculum? We will consider such conflicts when assigning reviewers to curricula; conflicts with individual programs do not, in and of themselves, disqualify a candidate.

Question 6: Is there anything else you would like to share with us as we consider your application?

Please send a copy of your current resume along with your application to: VLP-VLA@virginia.edu
