SUBJECT: **Website Posting of the Career Success Stars in Career and Technical Education (CTE)**

The Virginia Department of Education (VDOE) is pleased to announce the website posting of the [Career Success Stars in CTE](#). Former CTE students in their 20s and 30s were recognized as the Commonwealth's brightest Career Success Stars. The individual success stories are featured as video profiles on the VDOE website highlighting how CTE programs provide academic and technical skills for high-skill, in-demand, and high-wage careers.

Former CTE students were selected to represent the career clusters and pathways. These spotlights are posted on each of the career cluster pages. Also, there is a featured spotlight representing active military personnel, which is posted on the CTE homepage.
